

Exceptional quality wooden

WINDOWS & DOORS

Quality where it counts

Unparalleled performance, finish and sustainability credentials make Accoya® the ideal material for windows and doors.

- › **Fewer call backs**
Accoya's stability means easier installation and less snagging saving you time, money and leaving you more time to grow your business
- › **More efficient handling and processing**
Accoya is lighter weight than hardwood and comes in fixed width sections based on common joinery sizes. Faster processing and less waste
- › **Excellent machinability**
Accoya's consistency and low level of grain raising makes it easy to work with and smoother to install and coat
- › **Ideal for coating**
Accoya allows you to offer a wide choice of coatings for different looks as well as enhanced performance
- › **Sustainably sourced**
Offer your customers the truly sustainable choice with a timber that's plantation grown, non toxic and provides significantly better U-Values than hardwood

Distributed by

A sustainable

Highly versatile wooden

CLADDING

Unparalleled creative potential

Accoya® sets the benchmark in wood for performance, finish and sustainability, giving architects and manufacturers new design freedom for wooden cladding.

- › **Wide boards available**
Giving your customers the design flexibility they desire.
- › **Maintains original form and shape**
Thanks to Accoya's stability, you'll spend less time achieving a quality finish and encountering problems at installation and in service.
- › **Appearance options**
The Accoya surface is particularly suited to a wide range of texturing options through sawing, brushing and charring. Or a combination. It's stability means black coatings are achievable with Accoya.
- › **Opportunities for adding value**
You can offer your clients a wide choice of coatings for different looks and enhanced performance.
- › **Sustainably sourced**
Offer your clients the truly sustainable choice they need to meet global environmental challenges.
