

We are a family run business established for over 30 years as a company we are committed to sourcing our timber from renewable resources.
We are F.S.C and P.E.F.C certified.

MACHINED TIMBER

We can offer both machined hardwood and softwood. We have a comprehensive milling and machining facility featuring Weinig moulders.

We offer a range of standard sections and profiles or we can machine to the customers own sections and profiles.

Delivery usually within 5 – 7 working days.

VALUE PACKS – MACHINED

We offer a range of hardwood and softwood value packs for prompt delivery ex stock.

Hardwood

P.A.R, Window Board & PTGV Jointed

Redwood and Whitewood

P.A.R, Skirting/Architrave & PTGV Jointed

Please ask your representative for current price list / stock list.

Delivery usually within 2 – 3 days.

We have a Protim Pre-Vac Treatment facility on site we can also offer a priming and lacquering service. We have our own fleet of modern vehicles including a Hiab vehicle. We offer a prompt and efficient delivery service.
